

► Specifications

Overall Dimensions	56"L x 24"W x 43"H
Slatwall Panel Dimensions	49"L x 36"H
Packaging	Ships flat packed, assembly required

Portable Gondolas enable you to site impulse sales fixtures anywhere in the store. These gondolas can be used to form a checkout queue or as a standalone display. Ideal for seasonal or sale items, the mobility of this fixture gives great flexibility to your merchandizing plan. The double sided, 1" slat-wall provides more merchandise per square foot, while the panel's aluminum construction gives maximum durability. Two steering wheels provide excellent maneuverability and wheel locks keep the gondola in place where needed.
